	01.07.2002 Shri Vishnu Koshta, Advocate for the petitioner. Heard. The grievance of the petitioner is two fold – firstly, that the respondent No.5 is proceeding with an illegal construction in as much as no sanction has been obtained from the competent Authority and despite the representation and complaints lodged by the petitioner, no action is being taken and in the process, the said respondent is speedily proceeding to complete the construction. The second grievance is that the respondent No.5 has encroached on a parcel of land belonging to the petitioner and as such he is liable to be evicted therefrom. In case there is any encroachment as alleged and some construction activity is being carried thereon, it is for the petitioner to approach the common law forum where the matter can be adjudicated. Such matter cannot be a subject matter before the writ Court. As regards the complaint regarding the illegal construction, since the fact has been brought to the notice of the appropriate authorities, i.e. the Town and Country Planning and the Municipal Corporation, Bhilai, they shall look into the complaints filed by the petitioner and if found correct it is expected of the Authorities to take appropriate action on the basis thereon in accordance with law.
